How to read this table:

The results are given for quarters 1, 2 and 3 of 2012. If you joined the scheme during the most recent quarter, the quarter before you became a member will be blank.

The number in red shows the total number of feedback cards we received for your business during this period. The Base row, in green, breaks this down into the number received per quarter. The Base column, in blue, breaks it down by question so you can see the total for each answer to each question. The figures in the body of the table, in black, show the results for each question broken down by quarter.

If you have any queries about how the results are displayed, please contact us.
